

Euro Cup 2025 Unified Calendar

Dear Sport friends,
Dear Rafting Community,

we are pleased to inform you that the World Rafting Federation (WRF) and the International Rafting Federation (IRF) are actively working on a merger project that we hope to announce in full soon. The year 2025 will be a time of exciting challenges and transition as we continue to collaborate closely in the spirit of mutual respect and shared goals.

As part of this ongoing process, both organizations are committed to promoting a **unified calendar for the Euro Cup 2025**.

This format, in compliance with the technical and sporting regulations in place in each country and as approved by the relevant national sports authorities, will allow organizers to choose to host one or more of the existing events (Sprint, H2H, RX, Slalom, Downriver) and to decide which set of sport rules (IRF or WRF) to apply. The aim is to provide you all with a rich calendar of events, while avoiding any application difficulties in individual countries.

Since the two sport rules have different point allocation systems, a special overall ranking will be created for all Euro Cup 2025 events. This ranking will be based on a transitional points system for the year 2025. Point system for the Euro Cup 2025 Unified Calendar Overall ranking will be calculated as follow:

Position	Sprint/RX qualifications	H2H	RX	Slalom	Downriver
1	50	100	100	100	100
2	46	92	92	92	92
3	43	86	86	86	86
4	41	82	82	82	82
5	39	79	79	79	79
6	37	76	76	76	76
7	35	73	73	73	73
10	33	70	70	70	70
<i>For RX Qualifications and sprint following positions will get -2 points per position, for all other races positions will get -3 points per position.</i>					

Below is the preliminary calendar for events:

- Croatia (March 28 – 30, 2025 / Slime, Omiš, Croatia)
- France (May 17 – 18, 2025 / Whitewater Stadium, Pau, France)
- Bosnia and Herzegovina (May 24 – 25, 2025 / Banja Luka, Bosnia and Herzegovina)
- Czech Republic (June 14 – 15, 2025 / Artificial Slalom Course Troja, Prague, Czechia)
- Czech Republic (June 21 – 22, 2025 / Artificial Slalom Course, Trnavka, Želiv, Czechia)

The bulletins will be released in the coming weeks and will include more detailed information about each event. We sincerely hope this will help paddlers better plan for the upcoming season! More details will be available soon on both the IRF and WRF calendars. Stay tuned:
