Registration Handbook – Club

This document explains the registration procedures for international competitions open to any Club (for example, World Cup, Continental Cup and other international events).

There is no limit to the number of teams that can be registered, unless otherwise specified in the Bulletin.

An athlete may compete in different categories: the responsibility to be present at the start on time rests with each individual athlete.

For each team a substitute can be registered. The substitute for a Mixed Teams has to be a woman.

To register your Team, follow the link

https://wrf.rsportz.com/divisions/register
