**Next Generation Rafting Cup
– National Championship**

BULLETIN 2

Dear Friends, Rafters, and Water and Nature Enthusiasts,

At the last minute, there was a change in the organization of the competition in Užice on the Djetinja River. We received a notification from the city of Užice that due to construction works and the presence of workers, construction machines, scaffolding and reinforcement on the slalom track, the competition cannot be organized. That is why, in addition to the many problems we had, we still managed to organize the National Championship and the Euro Cup on the Ibro River at the same time.
