# INTRODUCTION

From 20<sup>th</sup> to 26<sup>th</sup> April, the Whitewater Stadium Parc Aquasports of Pau-Pyrénées will welcome the 2026 Junior & U23 Rafting World Championship and 2026 Senior Rafting World Cup.

The city of Pau and its urban community have a strong sporting culture and have already proved their capacity to host top level events: Tour de France and Vuelta (cycling), CCI 5\* (horse riding), Pelota world championships in 2010, and for Canoe Slalom, numerous ICF World Cups, the 2019 European Championships and the 2017 ICF World Championships.

Pau is an experienced canoeing centre, which always attracts large crowds to cheer on the athletes, knows how to make canoeing a spectacle and a celebration, and brings together a large number of delegations from all over the world. This year 2026, it's RAFTING that Pau and his Pau Canoë organizing committee will honor and shine.

To encourage the public to come along, since 2021 we proposed a "Sport Planète" sustainable development village with numerous associations working all along the year in this field. This year (2026), our aim is to strengthen the event's local roots by complementing the Village with a Market of local designers and producers: an opportunity for you to take away all the local products!

Feel free to come and join us for some thrills and spills through this exciting adventure!

The Organizing Committee

# THE PRESIDENT'S MESSAGE

For many years, the French Canoe Federation has gained a lot of expertise in hosting high-quality international competitions. Pau began to be involved in 2009 with the ICF Canoe Slalom World Cup at the newly inaugurated Whitewater Stadium of Pau-Pyrénées. Then, it never stopped and confirmed the trust the international governing canoeing bodies placed in the Pau Organizing Committee and in the French Canoe Federation.

With the city of Pau, they prepared magnificent programs with the greatest athletes in the world, and built the success of the major Canoe competitions in Pau: World Cups organized in 2012, 2015, 2016, in 2020 during the COVID lockdown, in 2021, 2022 and 2025, the European Championships in 2019 and especially the World Championships in 2017 which still remain the benchmark worldwide.

The Pau Canoë organizing committee Pau Canoë has also shown its ability to organize events other than slalom or canoeing with the organization in 2023 of the Jeux Internationaux de la Jeunesse, welcoming 350 young people for 7 days with a dozen sporting, cultural or festive activities.

Based on these successes, the French Canoe Federation and the Pau Béarn Pyrénées Urban Community are joining forces with the same enthusiasm and passion to attract a large public to the banks of the Whitewater Stadium of Pau-Pyrénées for the coming 2026 Rafting Senior World Cup and Junior & U23 World Championship.

We are looking forward to see you soon in Pau !

# HEALTH INFORMATION

## FIRST AID

The first aid station for participating countries will be located in the Organization Back Office building from 20th to 26th April. The NF advises all participants that emergency medical services will cover only emergency cases and that all participants are responsible for arranging medical insurance policy at their own cost.

## WATER SAFETY

Rescuing in the competition area will be organized only during the official training and competition days. Countries are responsible of their athletes during the training period. However, there will always be someone in HOC office to help contacting first aid or emergency station if needed.

## MEDICAL INSURANCE

The Organising Committee kindly asks all participants to arrange medical insurance policy in their respective countries. All costs above the regular first aid and ambulance services are to be covered by this medical insurance policy. The Organizing Committee will not cover any expenses in connection with hospital treatment.

## DOPING CONTROL

Doping control will be performed in accordance with the Anti-doping requirements and WADA standards.

# VISA REQUIREMENTS

France is a state-member of the European Union. The French Embassy in your country will provide you with all detailed information about visas. You will find details in the website on the French Foreign Affairs Ministry (<http://www.diplomatie.gouv.fr/en/>).

Please inform the Organizing Committee in advance, but **no later than 28th February 2026**, whether your team needs entry visas to France and provide the visa application form duly filled in.

These registration forms must be received by French Canoe Federation as soon as possible : [events@ffck.org](mailto:events@ffck.org).
